ROLLA STORAGE

Helps keep your studio organised

A robust design and a height that is designed to match in with the height of our sewing cabinets when opened, thus giving you valuable extra workspace.

Compact and manoeuvrable, the Rolla has a 270 degree swing on the door hinge which allows it to sit flush with the cabinet body when open. The 4 new, translucent, deep-fill drawers can hold all of your sewing accessories including tools and fabrics...and maybe even a machine!

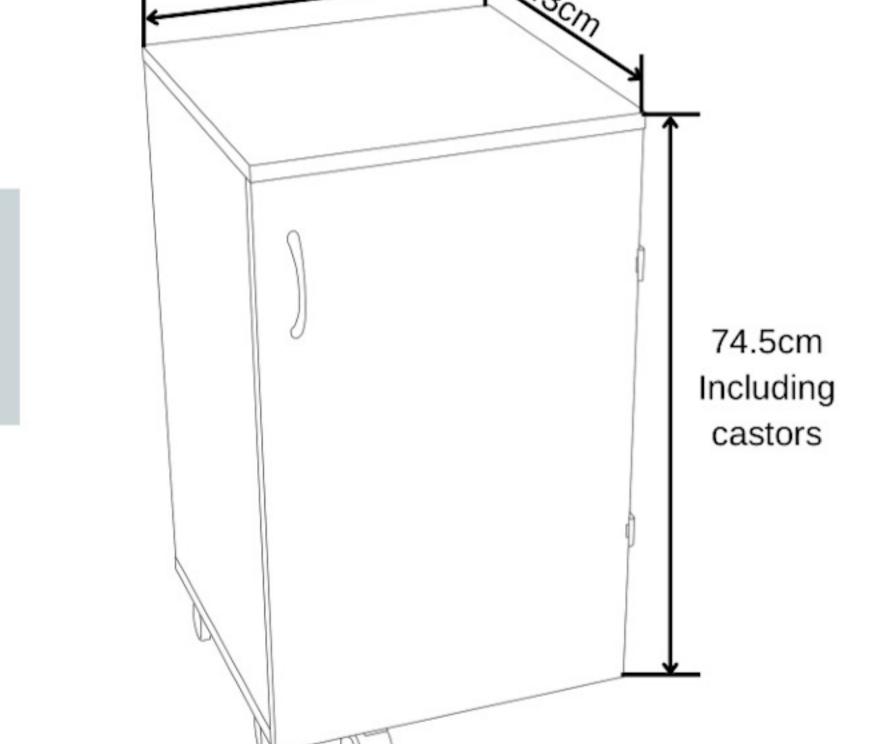

Delivered fully assembled

Beautiful design inside and out and comes in four different wood finishes.

A great companion to your existing Horn sewing cabinet
